Start by walking over the tarp.

Continue at the walk and place right wheel in between the two poles.

Walk around the cone and go through the carwash.

Turn around the cone and pick up a trot.

Continue to trot around all three cones.

At the third cone walk to the hoop.

Place your right wheel into the hoop.

Perform a 90° turn to the left while keeping your wheel inside of the hoop.

Walk out of the hoop and pick up a trot to exit.
